### Tillage Groups (1 on 1 / Gender Specific)

- Group Determined time and frequency

The Church is not a location or building but the description of the followers of Jesus gathered. The Church is not meant to be a Sunday morning ritual alone but a community of people wholeheartedly seeking God through the WORD, praying together, enjoying the mutual commonality of following Jesus, and celebrating with a unifying meal focused on Jesus. The Church is also called to serve each other and the community in which it resides. An active and healthy gathering will engage in care for its members and the surrounding community.

**FELLOWSHIP GROUPS** is a simple way we can do these things well.

Disciple Making at Grace is a relational activity. All of us pressing on to the maturity of the believer in Jesus. **GROW GROUPS** gives a good gender specific way for us to teach all that Christ commanded of us, and to equip the saints for the work of ministry each fulfilling the calling God has placed on our lives.

Finally, deep kingdom transformational work in our lives means that we are obedient to confess our sin, obedient to learn and apply the character of godliness, and surrendered to live under the work and guidance of the Holy Spirit. **TILLAGE GROUPS** are one-on-one gender specific groups designed to dig up the hard places in our lives and receive the life-giving work of Jesus.

Sign up to participate in one or more of these groups. A life in Jesus is designed to be done with others. That's why doing life is better together.
